OFFICE OF THE VICE PRESIDENT

WASHINGTON

October 26, 1959

Dear Allen:

This is just a note to tell you how much I appreciate the prompt and effective assistance you and your staff always provide.

I should like to mention particularly [redacted]

25X1

[redacted] Bob Cushman has told me of the friendly and cooperative spirit, as well as the fast personal service, with which these two members of your staff approach every task. I find that most of my requests are channeled through them to the Office and Branch indicated, and I hope that you will pass on to them my appreciation for the thorough and expert job they perform on a variety of complicated problems requiring time consuming research and analysis.

The "can-do" attitude which prevails speaks highly of your leadership and, again, I want to take this opportunity to thank you and your colleagues for your help.

With all best wishes,

Sincerely,

Richard Nixon
